NIFL Installs Altro Pebblestone...

NIFL successfully installed 65m² of Pebblestone manufactured by Altro to a BMW Dealership, York.

BMW York was looking for an installation to match the existing tiles, and provide a suitable backdrop for a prestigious Dealership.

NIFL Resin Flooring matched a RAL Number specified for the coloured aggregate and provided samples to be approved prior to installation.

The installation was carried out seamlessly just before the end of 2007.
