

Altrocrete PU Excel HF 2007

NIFL installs new Altrocrete PU Excel HF...

NIFL successfully installs new Altrocrete PU Excel HF to food production environment.

NIFL Resin Flooring installed a 6mm Polyurethane Resin, FeRFA Resin Flooring Association Classification Type 8, to a food production unit in Goole.

Manufactured by Altro Resins, Altrocrete PU Excel HF; Altro's new 6mm Polyurethane Resin system, proved a fantastic system to install for the long established NIFL.

NIFL Resin Flooring

Epoxy, Polyurethane and MMA Resin Flooring
Resin Bound and Resin Bonded Surfacing

NIFL Resin Flooring offer a combined product and workmanship guarantee on this system of a unique and industry leading 10 years.

Furthermore, the system installed by NIFL is taint free, hygienic and available in 5 different colours.

NIFL Resin Flooring installed over 200m² of heavy duty Polyurethane Resin and 150 Lin m of Polyurethane Coving to provide a complete hygienic solution to the new extension.

The client was so happy with the project that they immediately asked NIFL back to renovate their existing factory.
