

# Resin Bound Univeristy 2007

## NIFL Resin Bound Surfacing...

### **NIFL goes back to school**

**NIFL installed a series of pathways and driveways in resin bound aggregate to a university in North Yorkshire.**

### **NIFL Resin Flooring**

Epoxy, Polyurethane and MMA Resin Flooring  
Resin Bound and Resin Bonded Surfacing

t. 01482 856162

f. 01482 856168

The resin bound system manufactured by Addagrip Surface Treatments and installed by NIFL was installed at 15mm nominal thickness to a large area of the university campus. The system comprised of natural aggregates bound in clear resin to produce Addagrip's Addaset Resin Bound Paving.

It was said that the comparison to the existing macadam and loose gravel pathways was very favourable.
